

APPLICANT PRIVACY NOTICE

Micron Applicant Privacy Notice

Micron Technology, Inc. and its group companies (collectively “Micron”, “we”, “us” or “our”) are committed to conducting business with uncompromising integrity and professionalism, and this includes respecting your privacy and protecting your personal data.

In this Applicant Privacy Notice (this “Notice”), we provide you with details about how we process your personal data when you are pursuing a job, internship, apprenticeship, traineeship or other work relationship with us, or when we are otherwise processing your personal information for recruitment purposes. “Processing” means collecting, using, sharing, transferring and storing of your personal data.

It is important that you read and retain this Notice, as well as any other communications, policies, documents, or postings from Micron regarding your privacy that we may provide when we are processing your personal data.

We encourage you to contact us (see “How to Contact Us” below) if you have any questions or concerns. If you are working through an agency or contracting service, we encourage you to review that organization’s privacy policies and practices in addition to this Notice. This Notice normally would not apply to their processing of your personal information.

Last Updated: January 1, 2023

1. SCOPE OF THIS APPLICANT NOTICE

This Notice applies globally to all individuals whose personal data (defined in Section 3 below) we may process regarding potential interest in working at Micron, whether as an employee, contract worker, trainee, intern or apprentice, as well as other individuals whose personal data we process for recruitment purposes (such as for evaluation of whether to contact them about working with us) (collectively “Candidates”).

This Notice describes how we process your personal data, whether collected by Micron or our agents, or provided by you, in connection with our recruitment process.

This Notice does not create or form part of any contract for employment, whether permanent or temporary, or any other contract to provide services to or receive services from Micron.

Please remember that our [Terms of Use](#), our [Micron Privacy Notice](#), and other policies and procedures, as applicable, also govern your interactions with us and any use of our networks, systems, applications, assets, services or websites.

2. YOUR RIGHTS AND PREFERENCES

APPLICANT PRIVACY NOTICE

Privacy and data laws in different countries and regions around the world give individuals certain rights in relation to their personal data. We conduct our privacy practices according to this Notice, our [Micron Privacy Notice](#), our Employment Privacy Notice and the relevant laws of the countries or regions in which we interact with you.

3. INFORMATION WE COLLECT ABOUT YOU

When used in this Notice, “personal data” means any information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with an individual (“data subject”), and includes “personal data” or “personal information” as defined in applicable data protection laws. Data that cannot be associated with you, such as aggregated, de-identified or anonymized information (“Anonymous Information”), is not personal data.

We may process the following categories of personal data about you during and after a recruitment interaction with Micron:

- **Personal Identifiers:**
 - Personal contact details such as name, title, address, date and place of birth, candidate ID, telephone number and email address
 - Driver’s license number, passport number, nationality/visa status, or related information
- **Protected Classifications and Sensitive Personal Data:**
 - Information about your race, ethnicity, religion, disability, veteran’s status, or sexual orientation if you choose to provide it during the application process on a strictly voluntary basis
 - Background checks (for select Candidates in certain countries)
 - Health and medical data, such as information about disabilities
- **Employment- or Education-related Information:**
 - Right-to-work documentation
 - Job titles, salary history, work history, working hours, training records
 - Educational records
 - Professional memberships, board memberships, and other professional activities or roles
 - References
 - Other information included in a CV or cover letter or as part of your application to work at Micron
 - For some roles in some countries, information from career-relevant publicly available social media or networking sites such as LinkedIn
 - Information about additional skills that our systems infer that you may have, if you choose to submit your application through our career portal. More detail is provided in the career portal.
- **Internet activity information:**

APPLICANT PRIVACY NOTICE

- Information collected through cookies and similar technologies when you browse our website, subject to any consents or preference settings (see our [Micron Privacy Notice and Cookie Policy](#) for further information)

4. HOW WE COLLECT YOUR PERSONAL DATA

We may collect personal data about you through the application and recruitment process, directly from you, from employment agencies, through screening services, and/or background-check providers. We may collect additional information from third parties including former employers, other references, recruiting providers, credit reference agencies, publicly available websites such as LinkedIn, or other sources that supply employment or identity verification services.

If you are under the applicable legal age of employment in your geography, do not supply any personal data to any Micron or affiliate websites for the purposes of applying for or obtaining a job, internship, apprenticeship or traineeship with Micron.

5. HOW WE USE YOUR PERSONAL INFORMATION

We will only process your personal data as permitted by applicable law and our policies.

We use your personal data for the following purposes:

- **Decisions related to recruitment:**
 - ascertaining your fitness for work;
 - assessing your candidacy for specific open job positions or your qualifications for other roles within Micron; and
 - making decisions about your application; determining whether to offer you a position and on what terms.
- **Related Business Purposes:**
 - conducting data analytics studies to review and better understand Candidate demographics and our application process;
 - attracting and maintaining a diverse workforce;
 - arranging travel and other accommodations;
 - setting up access to IT systems and support to enable access to our facilities, resources and systems; and
 - handling legal disputes.
- **Security measures and complying with health and safety obligations:**
 - ensuring your safety along with the safety of our facilities, resources, employees and other people interacting with Micron;
 - preventing fraud and securing our systems, data, resources, and facilities from unauthorized access or exploitation;
 - monitoring compliance with our IT policies;

APPLICANT PRIVACY NOTICE

- ensuring network and information security, including preventing unauthorized access to our computer and electronic communications systems, and preventing malicious software distribution; or
- investigating theft and other illegal activities.
- **Compliance:**
 - verifying your identity, nationality, and employment status;
 - ensuring that you are legally permitted to work in your geography of hire;
 - complying with equal employment opportunity legislation and other legal requirements applicable to us in the application and employment context; or
 - monitoring equal opportunities and diversity in accordance with the applicable law.

We may also process your personal data for other purposes with your consent or at your direction, which consent you may withdraw or modify at any time by contacting us.

6. DISCLOSURE OF YOUR PERSONAL DATA

We may disclose any personal data as described in this Notice to third party service providers we use to support our business.

Through our contracts with our service providers, we strive to require that they only use personal data we share with them for the purposes for which we disclose it to them. The categories of service providers that we share information with and the services they provide are:

- **Professional services consultants** that assist with our recruitment process, provide legal services, or supply project-based resources and assistance;
- **Vendors** that assist with application and employment processes, including assessing candidate qualifications, providing the platform through which candidates submit their candidacy, conducting background checks, and verifying compliance with Micron policies and applicable laws;
- **Security vendors** that assist with security incident verification and response, service notifications, and fraud prevention; and
- **IT vendors** that assist with system design, architecture and implementation, hosting and maintenance, data and software storage, and network operations.

We may also disclose your personal data to other external parties, such as regulators, courts and other authorities, when required by law or to protect Micron or other persons, as described in this Notice.

We may disclose your personal data to a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, sale or other transfer of some or all of Micron's assets, in which personal data held by Micron about you is among the assets transferred.

APPLICANT PRIVACY NOTICE

We may disclose Anonymous Information without restriction.

7. DATA SECURITY

We strive to implement measures to help safeguard your personal data from accidental loss and from unauthorized access, use, alteration, and disclosure. We use physical, administrative, and technical safeguards for these purposes. Depending on the data and system, these may include data minimization, aggregation, anonymization, cyber and logistics security, encryption, physical security, business continuity and disaster recovery, and risk management systems and processes.

8. DATA RETENTION AND MANAGING YOUR DATA

Your personal data is retained for as long as necessary to fulfil our business purposes disclosed in this Notice, and for any longer period as may be permitted or required by law, or as may be necessary in connection with any ongoing relationship you may have with Micron. The specific duration of retention depends on many factors, including the record type, your relationship with Micron, and your location. Rights that may depend on the country or region in which you are resident are covered more extensively in our [Micron Privacy Notice](#), [Employment Privacy Notice](#) and under Sections 9 and 10 below. These notices provide additional information on how we will respond to you if you exercise your data protection rights in accordance with applicable data protection laws.

9. INTERNATIONAL DATA TRANSFERS

Where permitted by applicable law, we may process your personal data in any country or region where we have facilities, business operations, affiliates, subsidiaries, or in which we engage service providers, and we may transfer your personal data amongst these countries, regions, and entities. Some countries may have data protection laws that are different from the laws of your country.

Micron complies as a self-certifying entity with the EU-U.S. and Swiss-U.S. Privacy Shield Frameworks, as described in our [Privacy Shield Policy](#), where you can find additional information regarding how Micron complies with the Privacy Shield Frameworks. However, Micron no longer relies on those Frameworks for its own transfers of personal data from the European Union ("EU"), the European Economic Area ("EEA"), the United Kingdom ("UK"), or Switzerland ("CH") to the jurisdictions that they have not recognized as having laws that provide an adequate level of protection. Instead, Micron relies on the legal mechanisms such as the European Commission approved Standard Contractual Clauses or your consent (in limited circumstances) for such transfers and for other transfers to jurisdictions that have not been recognized as having laws that provide adequate protection. For a copy of the Clauses, you may contact us as described below.

APPLICANT PRIVACY NOTICE

If you have specific questions about employment practices in your jurisdiction, please refer to the contact information for your jurisdiction listed in Section 10.

10. ADDITIONAL COUNTRY OR REGIONAL PRIVACY CONSIDERATIONS

Because Micron has adopted a global view on privacy with the intent of providing strong privacy rights regardless of where an individual resides, our use of terminology in this Notice should be interpreted to reflect that intent. You can find additional privacy terms that may be relevant to your specific country or region below. In addition to contacting Micron, you may also contact your local Data Protection Authority with any questions or concerns regarding your privacy rights.
