## **GURSHARAN SINGH**

Senior Vice President, Global Back-End Operations

Mr. Singh joined Micron in 2018 with over 30 years of manufacturing experience in operations and supply chain management, working across the U.S. and in Asia, including Malaysia, Thailand, Taiwan and Greater China.

Mr. Singh most recently served as senior vice president of silicon operations and supply chain management at Western Digital. Prior to that, Mr. Singh held senior leadership roles at SanDisk Corporation, including senior vice president of global operations and supply chain management, vice president and general manager of Asia operations, director of supply chain and director of program management for manufacturing quality.

Mr. Singh earned a bachelor's degree in mechanical engineering from Punjab Engineering College, India, and a master's degree in industrial studies and quality assurance from San Jose State University. Mr. Singh is a graduate of Stanford's Executive Management Program.
